

Transition of Care Worksheet

Use this worksheet for your own personal reference to make sure you know how to get the care you need.

If you or a covered family member is being treated for a medical condition and your current provider is **not** in the new network, you may be able to temporarily continue care with your current provider(s) at the in-network rate once your new medical coverage begins.

(If you're not sure how to describe yo	ur condition or the treatment required, call your doctor and ask.)
Call your insurance carrier or answers to these questions:	? How can I check ratings/reviews of doctors?
Are the treatments/procedures I need covered and eligible for transition of care?	
	Call your doctor for answers to these questions:
? What do I or my doctor need to do to get a transition-of-care request approved?	? What is the treatment transition plan? What do I need to do? What do you need to do? Notes:
? How long will I be able to continue seeing my current doctor at the in-network rate after the new plan year begins?	? Can you recommend any doctors in my new network? Notes:
? How do I find a new in-network doctor?	Applies to Orthodontia Too If you will have a new dental option
	and you or your covered family members will continue receiving ongoing orthodontic treatment in the new plan year, call your new dental insurance carrier as soon as possible to ask for help with "transition of care."
